Shellie-Ann Braswell “Shine Brighter” Award for Charter School Volunteers

General Criteria for the Shellie-Ann Braswell Shine Brighter Award

1. **IMPACT:** Demonstrated ability to impact the families and students of the charter school.
2. **LEADERSHIP:** Inspirational, positive, organized, and effective leadership.
3. **SUPPORT:** Testimonials from the Charter School and surrounding community.

Named for an amazing volunteer, mother, community leader, and loving person who made every effort she was involved with shine brighter. As an impact-oriented leader, she dedicated her considerable talents to help her three children’s charter school launch, grow, and thrive.

From large-scale family festivals and parades to personal thank you gifts for faculty and staff, she created memorable moments from the heart. On a personal and professional level, her support for her children, husband, and colleagues was unparalleled. Her strength, hard work, and perseverance helped to bring even the most challenging projects to life.

We honor her legacy by recognizing a charter school volunteer who leads with love.

IMPACT

The Model Shine Brighter Award winner will exemplify the strength, determination, courage, and heart it takes to support a community and create memories. IMPACT will be demonstrated by the visual and anecdotal support from the charter school community the volunteer serves and by the funds raised, events held, and/or hearts touched.

LEADERSHIP

True leadership does not require a title. This individual will be a positive, organized, effective and inspirational person, who get things done. Executing their volunteer work with the highest level of integrity for the benefit of the students and charter school community, while being an active and positive partner to the school’s administration and staff are hallmarks of excellence.

SUPPORT

Nominators will share specific programs the Shine Brighter candidate launched, how they led with love, and how their work impact the lives of students, families and faculty at the charter school they support.
